

Getting to the Potomac Hospital Campus

Getting to Potomac Hospital

2300 Opitz Boulevard in Woodbridge

Northbound

Driving north on Interstate 95

From I-95 North, take Exit 156 marked Dale City and Rippon Landing.

From the exit lane, take the Dale City Exit. Go about 1/2 mile.

At the second light, turn right onto Gideon Drive. Follow the blue hospital “H” signs.

At the second light, turn right onto Smoketown Road (becomes Opitz Boulevard).

Go through three lights. At the fourth light, turn left into the hospital campus.

On the right is the Century Medical Building. At the top of the hill is The Potomac Center, a medical office building. The main entrance to the hospital is at the flagpoles, to the left of The Potomac Center. An information desk is located in the main lobby of the hospital.

Southbound

Driving south on Interstate 95

From I-95 South, take Exit 156 toward Dale City/Rt. 784 West.

After exiting, follow signs to Potomac Mills Mall and the blue “H” hospital signs. Stay right when the road splits and go right at the yield sign.

At the first light, turn right onto Gideon Drive.

Go 1/2 block to next light and turn right onto Smoketown Road (becomes Opitz Boulevard).

Go through three lights. At the fourth light, turn left into the hospital campus.

On the right is the Century Medical Building. At the top of the hill is The Potomac Center, a medical office building. The main entrance to the hospital is at the flagpoles, to the left of The Potomac Center. An information desk is located in the main lobby of the hospital.

Free Valet and Shuttle Bus Services

Parking is available free of charge in the large parking lot in front of the hospital. A free shuttle bus is available to take patients and visitors from the parking lot to the hospital. We also offer free valet parking. Follow signs to the main entrance of the hospital (at the flagpoles) to use this service. The shuttle bus and valet parking services are not available evenings or weekends.
